Sir,

In forwarding herewith the vernacular file of correspondence ending with No 113 of 16th October 1928 of the President Hosadurga Minor Municipal Council Re the levy of increased octroi duty on the margirally noted articles in the Municipality I have the honor to state that with a view to improve the resources of the Municipal Council the question of the levy of the enhanced rates on the above articles was placed before the Municipal Council in its meeting held on 31st January 1928 when it was resolved that the margirally noted rates may be levied after calling for objections from the Townspeople

Kerosine oil
Jaggery and
Tobacco

	Existing	Proposed
Jaggery per Maund	0- 1- 0	0- 2- 0
Kerosine oil	0- 1- 0	0- 2- 0

Some of the marchants preferred their objections to the enhancement of octroi duty on these articles on the ground that the levy of the duty on these articles have been abolished in many of the Municipalities

This objection was placed before the Municipal Council at their meeting held on 28th August 1928 when it was again resolved that the erhanced rates of octroi on jaggery and Kerosine oil tins may be levied

It is also reported by the President that the Municipal Council would get an additional incore of Rs 507/- per year by these enhanced rates

In these circumstances I request that sanction of Government may kindly be obtained to the levy of the erhanced octroi on those two articles in the Municipality

The resolutions of the Municipal Council and the statement showing the existing and the proposed rates of octroi duty are enclosed in the file

I have the honor to be

Sir
